

March 26th Featuring Angel Tucker

"The Power of Reading People"

In this program you will learn:

- How to read personality types within 60 seconds
- How each personality likes to be communicated with
- How to effectively communicate with others, eliminate conflict, provide better customer service, build a team, and so much more.

It's like having a crystal ball for everyone you interact with!

Angel Tucker is an expert personality profiler who has been speaking professionally at venues across North America for over 26 years. As an expert in her field, Tucker is a valuable resource for media and is **regularly featured on National radio, television and internet venues—as well as magazines.**
